

2022-2023 MD5 District Governors (LtoR): CC Marianne Kramchynsky, 5SKN Beryl Bauer, 5NW Jeanette Bean, 5NE Scott Hildre, 5SE Robyn Tyler, and 5SKS Alvin Matechuk.

2022 MD5 Convention

If you haven't been to an MD5 Convention, you should consider attending one in the future. The MD5 Convention was held at Cypress Hills Interprovincial Park, SK in May. What an awesome convention with some great speakers and entertainment. Alvin Law was born without arms and WOW, what an inspiration he is! If you haven't read his book, Alvin's Law's of Life, think about picking up a copy. Mel Foat, accompanied by his guide dog Warden, shared his life after blindness journey. The MD5 Global Action Team Summit was a great way to kick off the convention which included PIDs Pat Vannett and Robert Littlefield as presenters. ID Larry Edwards, from Pennsylvania, shared his passion for Lions Quest as well as other topics. We enjoyed music with the Bromantics and a great magician/comedian that entertained us. The 2023 MD5 Convention is scheduled for May 25 - 27 in Spearfish, SD, so start planning now to attend!

DGE Jeanette and CC Kevin Bean (back), DG Scott and Lion Sandy Ressler, and 1st DGE Lynn and Lion Marlene Grabow (front L to R) get a Lion welcome at the ice breaker. More pictures on page 8 and 9.

Another successful community event sponsored by the Glenburn Lions Club. Our 2nd Annual Community Kickball tournament took place on 4 Jun 2022. 49 members of the community came out for the event that included the tournament, bouncy house, cotton candy, corn hole, and burgers and hot-dogs. This was a free event, however a free will donation of \$115 by patrons will go to support the Glenburn Food Pantry & Backpack for Buddies Program. Small town fun with big heart!

Dacotah Mandan

The Dacotah Mandan Lions Club donated \$1000 to the Mandan Lewis and Clark Elementary School PTO Playground Project. The donation is the first payment of the five-year pledge by the Lions Club. The Annual Herman Schafer Memorial Golf Scramble will be the event to help support this project. Dacotah Lion Allen Shreve presented the check to the Mandan Lewis and Clark PTO.

Emerado Arvilla

District Governor Joe Sowokinos joined our April meeting. He was very busy by installing new officers, inducting new members and presenting pins for 3 members serving for 20 years and 25 years.

Members receiving service pins (pictured above) are James Johnson and Linda Schmidt for 20 years and Larry Hagen for 25 years. New members Tyler Stover and Scott Hallgren are pictured below with their sponsors.

Thanks Mom

by Crystal Dueker
SNE Service Chair

Across parts of North Dakota, various Lions clubs showed their appreciation toward Mothers during the weekend of May 9th.

These are a few examples:

1. Strasburg- the Lions have a legacy of paying for meals for the local mothers. This year, President Gerry Kraft says 100 women were given this delicious treat at The Blue Room to honor the women who care for their families. He says, "We love these wonderful ladies".

2. Linton- At the March

Zone 8 meeting, President Brady Weber remarked how impressed he was about sponsoring meals for Mother's Day and would ask his Lions club to approve it. With the club's support, numerous mothers in the area enjoyed the gift of a meal at The Grill, owned and operated by Lion Mark Heidrich.

3. New Rockford- Secretary Kristi Swenson says 90 Mums were handed out to the "MUMS" at their local cafe and local churches. Some were purple and some were gold, all in her club's act of service.

Oakes

On Friday, May 6, the Oakes Lions Club delivered 40 carnations to all the mothers living at the Good Samaritan Home and the Assisted Living Facility in Oakes. Because of COVID- 19 the Lions Club could not go into the facilities to deliver the flowers personally. The Lions Club put a flower into each vase with a card from the Lions Club and left them in the entryway of the facilities. The staff delivered the flowers to all the mothers in the facilities. The Good Samaritan Home and Assisted Living Facility appreciated our efforts as well as the Mothers.

Pictured above (L to R) Good Samaritan staff, Lion Dale Skjefte and Lion President Gary Schnell.

Devils Lake

Lion Don McMullen recently presented Lion Joe Kraft with a 50 year service chevron. Lion Joe has been an integral and active member of the Devils Lake Lions Club for over half a century.

Napoleon

Members of the Napoleon Lions Club were busy last week doing their part beautifying the landscape as they cleaned ditches around Napoleon. Lions members assisting were left to right: John and Sally Johs, Brian Schneider, Lorraine Platz, Rich Bjerklie and Tony Braun.

Horace

The Horace Lions continued their support of the local Boy Scout Troop 274. Sam May managed and built these raised bed flower boxes located at Heritage High School in Horace. The project earned her an Eagle Scout award. The raised beds will be used to provide beauty and gardening experiences for students for many years to come.

Fellowship football

After the PDG meeting on May 7th in Bismarck, a few Lions went on the prowl to the Civic Center to enjoy the Bismarck Bucks game of indoor football.

All the tickets were a gift from BEK Communications as a THANK YOU for vol-

unteering in service across North Dakota. 5NE Service chair Crystal Dueker/ Fargo Gateway Lions greeted the Lions that attended. Fun and camaraderie was the goal in the midst of referee whistles and popcorn. TOUCHDOWN for Lions!

Club News

Horace

Horace Lions members Alan and Keith were honored to be able to make the presentation of the First Annual Horace High School Band Student of the Year. This year's award was presented to Jackson Selk for his dedication to the music department. The Horace Lions were proud to help the music department get started during the first year of Horace High School.

Glenburn

Another successful event sponsored by the Glenburn Lions club. On Saturday, 9 April 2022, Glenburn Lions hosted their first evening meal and bingo for the community. 35 members from the community attended and \$550 was raised and donated to the Glenburn Senior and Community Center toward future remodeling projects. PDG Ginney Jones was flabbergasted when she won the first "black out". A great time was enjoyed by all!

Greetings Fellow Lions,
This is my last article for the ND Lion as your district governor. Looking at my schedule for June, it seems I will be coming in like a lamb and going out like a LION. During the last two weeks in June, I have three club visitations and will also be attending our International Lions Convention in Montreal, Canada. On my last day, June 30th, 2022, I have the privilege of attending the Gateway Lions Club award night in Fargo.

I want to thank all Lions in District 5NE for making my tenure as district governor so enjoyable. To my cabinet and Global Action Team, thanks for your hard work this year. I'm happy to report that our district is doing well and we have the leadership in place to continue our progress into the future. Lion Scott Hildre will do a fantastic job in leading us this next Lions' year.

Although we have reached several of our goals we set in place last July, we need to continue to improve. Briefly, we need to maintain our high percentage of clubs that are reporting their service activities. We need to initiate new Lions clubs whether they be a branch, specialty, or a full 20-member chartered club.

We have increased our number of Model Clubs from two to seven this year. Two new clubs made the 'Model Club' commitment this month. They are the Emerald-Arvilla and Jamestown Lions Clubs. CONGRATULATIONS!

My wife Lion Janice and I had the pleasure of attending a Multiple District 5 Lions Convention in Cypress Hills, Saskatchewan, Canada. I wish more Lions from ND were able to attend this fabulous event. It was both

inspiring and motivational. One speaker talked about happiness and said "studies have proven that happiness comes NOT from what we do for ourselves---but happiness comes from what we do FOR OTHERS". By serving as a Lion, you enrich people's lives and give them hope for the future.

The next few paragraphs are the bio of our 2nd VDGE, Kirk Tingum. In 1957, his mother, who was pregnant with Kirk, took a train to visit her parents in Park River. On the way, Kirk was born in Grafton, ND. His family moved to Iowa and then to Minnesota, before settling in Grand Forks in 1962. Kirk found that he loved farming from working on his grandfather's farm during the summer. Upon graduation from Red River High School in 1975, he rented ten acres of farm land from his grandfather. The farm was originally homesteaded by William Rockefeller, father of the oil tycoon John D Rockefeller. Over the years, Kirk and his brother increased their farm acreage to 800 acres. As a backup, Kirk went to UND to further his education. He received his law degree in 1982 at the age of 25.

Kirk joined the South Forks Lions Club in 2009 and has served as president and zone chair. Among other recognitions he has received, Lion Kirk is a Melvin Jones Fellow. He has served as secretary of the Lions Foundation of North Dakota and currently is serving as their president.

Lion Kirk and his wife Janice, also an attorney, have three children; they are Kat (actress in New York), Mike (attorney in Edina, MN), and

Matt (computer programmer in Cincinnati, OH).

When Lion Kirk serves as our 5NE District Governor in 2024-2025, he wants to (1) increase service and awareness of diabetes, (2) increase membership with younger members, and (3) bring back the excitement and sense of fun in being a Lion. Knowing Kirk, he will do this and much, much more.

Thanks to the Lions of 5NE for allowing me to be your DG this year. A special thanks goes to those clubs who invited me to visit. The best part of being your DG is getting to meet so many wonderful Lions. To the fifty-two Lions Clubs in 5NE, thanks for your community service that helps communities thrive. Kudos go to our District Administrator, Kristy Swenson, who helped our district get back on track in reporting service and new members. She also provided other services for our clubs by being a zone chair. Thanks to PID's Pat Vannett and Robert Littlefield for

their guidance and encouragement. Finally, thanks go out to my DG Team of Scott, Rick, Kirk, and IPDG Grant for their help and humor that helped me survive the journey. Remember to support your new leaders next year. They are a very capable group of dedicated Lions.

Have a safe summer and as Lions, keep your paws on the ground and be ready to leap forward in the fall.

"We serve with love and compassion in communities around the World"

International President,
Douglas X. Alexander

4. Bowdon- Tail Twister Larry Crowder suggested and the club supported the purchase of 50 flowers to be handed out at their local cafe. A sign was displayed on the counter to show the Lions sponsored this service to moms.

5. Napoleon- Secretary Lorraine Piatz suggested and the club supported 40 flowers to be handed out at The White Maid restaurant. One widow remarked she had not been given flowers since the passing of her husband.

6. Enderlin- Membership

chair Roxy Johnson handed out 40 flowers at the Trax-side restaurant.

7. Zealand- President Dave Silbernagel and wife Renae delivered 140 roses, most to the mothers in town and the rest were delivered as they drove around the surrounding farm area. This is their club's second year of this act of service.

Thank you Lions for showing your gratitude to mothers on the special day dedicated to honor them. You have given a symbol JOY and LOVE in this act of kindness to mothers.

“Italian spaghetti (tasty), Ukrainian War (bad) and Enderlin kindness (Wow)”

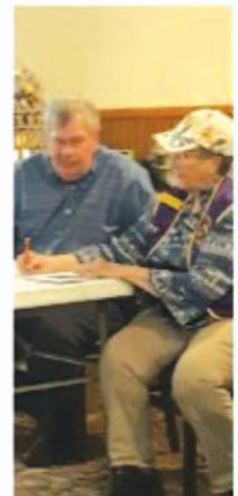

Community kindness became public recently. The back story of this refreshing happening is the Enderlin Lions Cub receiving an email earlier this year suggesting a fundraiser for Ukrainian refugees. Lions Club International, who sent the message, has a foundation staffed with salaried employees. Whatever money is donated at the local level - say in Enderlin - would be sent to Lions International where the “overseas department” uses their experience and connections to get it to the locals where needed. Thus the local club gathers the money and a trustworthy foundation sees that it does good in Ukraine, all without much fuss, fanfare or administrative expense.

The Enderlin Lions board of directors, headed by club president Bobby Geske, put together the idea of a free-will offering spaghetti supper. The idea came to fruition in early April and club past president Roger Maras suggested partnering with the local VFW. Their manager, Lisa Stoffel, thought Saturday, May 14th would be a doable date. She also did much of the legwork which included procuring donated food and arranging a gratis place at the VFW club-room.

The Dakota Plains Credit Union gifted cups and napkins.

Even before the scheduled day, donations were coming in. As always, money comes to a good idea and most of the community feels badly about the Ukrainian situation. This benefit was an opportunity to do something.

Serving began at 5pm and there was a good showing of capable Lions help. Dozens and dozens of well-meaning

and generous Enderlin area residents piled their plates and emptied their wallets. They supported a just cause. And what was donated? Counting what was given be-

fore the benefit, the Enderlin Lions has \$6,200 waiting in their bank account earmarked for Ukraine. In addition, if you want to add to this fund, drop your contributions off

at the TraXside Cafe's front counter. The total amount will be sent in June 10.

Our Lions Club will have completed a historic Lions project that made the world a wee bit better.

For those that gave: Thank You! There is good and evil on this planet and our help put you on the "good" side. And for those Lions that helped your name should be among the following: Roger Maras, Andrew Albert Peterson, Ruth McCleerey, Mike Martin, Susan M. Dopp, Terry

Taylor, Bob Gruman, Herman Pederson, Gary Daub, Jerry Hanson, Joe Chesley, Roxy Johnson, Grant Patterson and Hubert Blease.

A special thank you is also given to Schwandt Goodman Post 9050 known to us locals as the VFW. VFW manager Lisa Stoffel makes certain it happens. Our Lions Club is proud to help the VFW raise serious coin for a humanitarian cause.

5NW DISTRICT GOVERNOR'S REPORT

Greetings Lions. Many Lions told me that my year as District Governor would go fast, and it sure did. It's hard to believe that this will be my last DG letter. I can't thank you all enough for allowing me to service as your DG.

As I visited clubs and made my presentations, the one thing that went over very well was my Imagine presentation. It was the one thing that many clubs requested a copy. I will finish my last article with it.

Some nights, when I can't sleep, my mind just starts wandering and that is how I came up with "Imagine". The world we now live in evolves around technology. We have Google running our houses. We wear devices to tell us how well we sleep and how much we exercise. What if we had a device that told us how well we did as a person for the day? That is what my invention would do. Imagine the ability to have a chip implanted in our head that recounted how we did each day?

To get the results, you would have to look at yourself in the mirror. You would have to look into your own eyes. Each day you get the results and, by doing so, you erase or reset the program. If you don't reset the program, all the past days' information will keep flooding your mind - maybe not allowing you to sleep. To reset, you need to look yourself in the eye and review the day. You would get an honest overview of your day. There is nothing to compare to, not another person or group, just you. An honest look at you! Just imagine if such a device were available, how many people would be brave enough to sign up for it? Would you?

Imagine knowing, at the end of the day, how many

acts of kindness we did

Imagine knowing how many times we listened to someone to understand what they were saying and not needing to reply

Imagine knowing how many times we smiled at others

Imagine knowing how many times we said thank you, please, and meant it

Imagine getting a summary of how we did as a spouse

Imagine getting a summary of how we did as a parent

Imagine getting a summary of how we did at being a friend

Imagine knowing how many times we did the right thing without anyone knowing

Imagine knowing how many times we admitted when we were wrong, and apologized

Imagine knowing how many times we put someone down to make ourselves look, or feel, better

Imagine knowing how many times we put others ahead of ourselves

Imagine knowing how many times we stretched the truth

Imagine knowing how many times we got angry

Imagine knowing how many times we honestly considered someone else's view

Imagine knowing how many times we accepted responsibility, and didn't make excuses

Imagine knowing how many times we gave, without expecting anything in return

Imagine knowing how many times we complimented someone.

Imagine knowing how

many times we went out of our way to help someone

Imagine knowing how many times we practiced forgiveness

As a Lion, imagine knowing how much we served others.

If you could recap how you did during the day, would you?

Again, I thank you for al-

Gateway Lions members attend the MD5 Convention

Gateway Lions Club members, Scott Hildre, Crystal Dueker, Mary Ann Zwinger and Duane Zwinger attended the MD5 Convention in Cypress Hills, Saskatchewan. Miriam Hildre attended as well. The convention was held May 13-14. There were many good speakers and excellent entertainment. ID Larry Edwards from Pennsylvania was motivational and inspirational. The Bromantics band entertained Lions on Friday night with their 50's and 60's music and kept the dance floor full all night. Trevor Moore kept us laughing on Saturday night with his comedy and magic show. Other highlights of the MD5 convention were a very well done Memorial Service for Lions of MD5 that have passed in the past year. The highlight of this service was a slide show showing pictures of those Lions members that

passed and a very emotional homily given by CC Kevin Bean. Another highlight of the Convention was the awarding of the "SENIOR COUNCILLOR AWARD". These awards go to Lions who were District Governors 10 years ago and are still active Lions. PDG Steven Johnson from Grand Forks was the recipient of this award from 5NE. There were 121 Lions Members in attendance at the convention, with 84 of them being voting delegates. Two items voted on at the business meetings were as follows: 1) To drop the paying of Surety Bonds by MD5 for the Lions Clubs of MD5 and 2) Approval of the increase in dues for LCI for all Lions Club members. (Currently each member pays \$43 per year. The increase will be \$3 per member in 2023-2024, \$2 per member in 2024-2025 and \$2 per

member for 2025-2026. For a total dues of \$50 per Lions year.) This item will be voted on at the International Convention in Montreal in June. The extreme highlight of the MD5 Convention is the awarding of the "RED JACKETS" to the six incoming District Governors for

MD5. It is a very impressive ceremony. District Governor Elect Scott Hildre was the recipient from 5NE. Soon after Lion Scott was awarded his "RED JACKET", his wife Miriam announced she was joining the Gateway Lions Club. What a wonderful way to end the convention!!!

Awards presented at Medina Lions meeting

The April Medina Lions meeting was filled with a lot of information and celebrations. First off, District Governor Joe Sowokinos and wife Janice (Grand Forks Red River Club Secretary) got the group excited about community and Lions with his slide shows. After which, Sowokinos honored Gerald Horner with a 25 year Certificate and pin as a Medina Lions Member. Then, The District Governor called up new member

Matthew Reister and sponsor Clyde Reister. Clyde, Matthew's father has been a Medina Lions member for over 20 years and currently is the club President. Reister has sponsored several new members over the years. There are thriving Lions clubs in Medina, Streeter, Tuttle, Napoleon, Robinson, Pettibone, Wing, and Sterling all looking for any men or women interested in helping.

Harvey Lions Spring into Action

By Crystal Dueker
5NE Service Chair

On Monday, May 16th, any vehicle headed south of Harvey on Highway 3 witnessed 8 members of the local Lions service club cleaning 4 miles designated by the Adopt-a-Highway program. Some Lions used their ATVs while others walked and carried their orange bags for the debris. They welcomed an extra pair of hands by this Fargo Gateway Lion visiting the area. After completing the work, everyone enjoyed pizza during the Harvey Lions meeting at the Rodeo grounds. In June, the Lions will be handing out 36 bottles of Dad's root beer at the Junior/Senior golf tournament on Father's Day where the only requirement between the 2-team players is a difference of 20 years. Grandpas, fathers, and young generations will mix it up on the greens.

Gateway Lions Plant Tree

Members of the Gateway Lions Club helped the Fargo Park Board plant a tree at Willow Park in South Fargo. On May 31st, the tree was planted in memory of long time Lion Dave Isaak. Lion Dave unexpectedly passed away in September of 2021. Lion Dave was a great Gateway Lions Club member for many years. He took a very active part in the Lions All-Star Basketball games for many years. The monies generated for the tree

were from the many memorial monies that were given to the Gateway Lions Club in Lion Dave's memory. There will also be a very nice plaque placed by the tree for all to see why this tree was planted. The Gateway Lions Club received many memorials from Lion Dave's family and friends. We will be giving a \$1,000 scholarship to a senior from Fargo South High School for 2022 as well. LONG LIVE THE MEMORY OF LION DAVE ISAAK!!!!!!
