## New Voices Report for 2019-2020 is NOW available!!

**By Crystal Dueker**  
*New Voices coordinator*

So much of our Lions business is now being done by computer. With ZOOM meetings for many Lions clubs to stay connected and get important work done, and a recent on-line Council of Governors gathering, plus an upcoming Spring Rally, one might think it is easy to put together a com-

puter video. Not really!!

As you know, in the May issue of the ND Lion newsletter, there was a great Photo gallery of all 24 New Voices on display that included each Lion nominated and honored by one of our 6 District Governors. Each photo had a short description alongside of what each Lion did or about their project. A more detailed report was submitted to the Coun-

cil of Governors in May. In it, I mentioned I would be creating a video version of the "New Voices are Roaring" seminar scheduled for the MD5 convention in Brookings, South Dakota.

News Flash! The creation of the video has also gone bye-bye! Yet the report is important as a point of reference for years ahead as it documentation projects, examples of service and ac-

complishments performed by these 24 Lions. I believe it is information that can be part of your club program or you can request one of the New Voices nominees in your area to tell their story at your Zone meeting.

So if any of you are interested in reading the FULL story about the first class-

# Celebrate Lionism!!

Fargo Gateway Lion for 25 years

As our North Dakota Lions clubs start to REV up their members into serving their communities, it is also a time to CELEBRATE being part of the International Lions organization's 102 year history to SERVE humanity. Did you know Gov. Doug Burgum designated June 7th as "North Dakota Lions Day"? It's true, and I tip my bonnet to DG Sherry Fetch for her diligent efforts to make this happen!! This first ever Lions celebration in our state is the brainchild of 5NW DG Sherry and 5NE DG Kathy Clemens; unifying us all as WE SERVE!!

On June 6th, incoming District Governor Grant Kahlbaugh was interviewed on 13.10 KNOX radio in Grand Forks. In addition to sharing our 102 years of helping others, he mentioned the South Forks Lions website and the Red River Lions Facebook site as places to seek information about their clubs and events in the Grand Forks area.

Napoleon Lions will be cleaning ditches and their town's park as an act of service for Lions Day.

Speaking of CELEBRATION, May is usually the time for "pomp and circumstance" as seniors graduate

from high school. In spite of Covid shutting off our normal ways to celebrate; many ingenious Lions clubs created various NEW WAYS to commemorate this momentous occasion in a teenagers life:

1. In Medina, there was a parade with seniors seated at a safe distance upon 4 haystacks driven along the streets of their town.

Can you hear those horns honking? The school teachers also organized a parade.

2. In Horace, their Lions club purchased 41 banners; each with the picture of a senior from their town. With the support of Mayor/ Lion Cory Pederson, these banners were hung from street lights along main street PLUS a parade was organized for May 29th. That night, each senior stood alongside their lamp post as hundreds of people gathered safely in the streets to CELEBRATE their graduation. Also, there were the fire trucks from Horace and Kindred, as well as police vehicles escorting cars with Lions signs and members inside waving their hands in JOY!!

New Voices nominee for Marketing; PDG Keith Zeuschel later handed each banner to the parents of their graduating senior (some from West Fargo, or Shanley or Oak Grove, for

example). Plus he handed them a pamphlet about Lions. (Smart idea, Lion Keith!)

3. In Linton, Lions club President Mike Schirado and Sec. Spencer Larson told me how their club organized a parade in May with seniors in a car along with floats to CELEBRATE!! (this was extraspecial since their Legacy project of Dairy Days was canceled for June.)

4. Wahpeton Lions helped their town's leaders organize a parade with cars holding a graduating senior. During their June 1st meeting, I was told it was such a JOYOUS occasion that nearby Breckenridge officials/ and families asked for permission to drive over afterwards. Can you imagine what over 150 cars (mostly from Breckenridge) looks like as seniors were allowed to celebrate safely and respectfully in their cars??

5. Napoleon Lions donated \$200 for their senior's prom that was later canceled. Lion Kristi Sw-

enson from New Rockford and I attended their meeting where members decided those funds will now help pay for an alternative graduation party.

June is also a time to CELEBRATE Father's Day, (June 21st). The Medina Lions will be buying Dad's root beer to be handed out at the Medina Cafe to each Dad who shows up with their children on that special Sunday. (At this time, other Lions clubs are discussing what to do in June for projects.)

On June 20th, at the drive-way of Napoleon Lions Sec. Lorriane Piatz (known for her Easter Egg handouts and Mother's Day flowers from Napoleon Lions), will be giving each father in the vehicle with their children, a container of Dad's Root Beer.

Finally, as the Fargo Lions prepare to celebrate their 100th anniversary in 2021; Lion Pat Brown created a CELEBATORY ad placed in the Forum newspaper for the June 7th issue.

(701) 269-0234 • lionkathyclemens@gmail.com

Greetings Lions of ND!  
As I sit down to write this article, I am both excited and a little sad at the same time. Excited that so many wonderful things are happening in Lions right now and sad that this is my last article as District Governor for District 5NE.

Where do I start with the excitement? I have heard of some clubs starting to meet again in person! How wonderful is that! Some of you are still meeting online. That is wonderful too! I do encourage those of you who have been using one of the many online platforms for your meetings to continue to offer that option even though you are able to hold in person

meetings again. It will give your members more flexibility. It may create better attendance at your meetings and thus more hands to help with your service projects!! Speaking of service projects, I understand that a lot of you have some exciting service projects planned for June. I can't wait to hear all about them!

As I am writing this, many of you have done or are planning an event to celebrate the first ever ND Lions Day. Governor Burgum issued a proclamation declaring June 7, 2020 as North Dakota Lions Day. Many thanks to District Governor Sherry Fetch for making this happen! I can't wait to hear about all of the

awesome things that you did to provide service to your communities and to promote Lionism. I am looking forward to this being an event that happens yearly and can't wait to watch it become bigger and bigger every year.

By the time you read this article, the first ever ND Virtual Spring Rally will have been held. I hope that those of you who were able to attend learned a lot through the trainings and were able to have a little "virtual" fun as well. Congratulations to District Governor Elects Grant Kahlbaugh and Kevin Bean for thinking outside the box and making this event happen.

Finally, there is always

excitement in starting a new year. Make sure, if you haven't already, to elect your new officers. There is so much excitement in seeing a new Lion being inducted as an officer for the first time. To see a Lion who has been a member for a long time or has held other offices take on a new role also brings a lot of excitement.

As I mentioned at the beginning, this is my last article as District Governor

for District 5NE. Many Lions told me that the year would go very fast and they were right. I can't believe it is almost over. This year has been so amazing in so many ways. Did this year go as I had envisioned? Maybe not exactly, but we were able to adapt and change and still make great things happen. I want to thank all of you for helping me spread the "Sunshine" this year. I know that there will be much excitement next year with District Governor Elect Grant Kahlbaugh leading the way. I know he and 1st Vice District Governor Elect, Joe Sowokin, are going to do amazing things! But don't worry, the "Sunshine" isn't going away. I plan to continue to serve on

the Multiple District Level and plan on being a part of DGE Grant's cabinet next year as well.

That leads me to my last HUGE THANK YOU! Thank you to the Jamestown Lions Club for being so AWESOME! They have been encouraging and supportive throughout the last year and I can't tell you how much that means to me. After all, they were the first ones to show me what it means to be a Lion!! Thank you to all of the members of District 5NE as well for allowing me to serve as the District Governor. It will be an experience that I will remember forever!

# STATE OF NORTH DAKOTA

## PROCLAMATION

LIONS DAY  
JUNE 7, 2020

WHEREAS, North Dakota Lions Clubs are members of Lions Clubs International, the largest service organization in the world with 1.4 million members in over 48,000 Lions Clubs in over 205 countries and geographical areas; and

WHEREAS, the first Lions Club of North Dakota originated in Fargo in 1921, and there are, today, 96 Lions Clubs in the State of North Dakota, composed of over 2,500 women and men volunteers statewide providing needed service to all; and

WHEREAS, Lions District 5NW and District 5NE making up the western and eastern halves of the state of North Dakota have united to celebrate the Lions Clubs International Birthday on June 7, 2020, with the first annual North Dakota Lions Day; and

WHEREAS, Lions were challenged by Helen Keller in 1925, to become "knights of the blind in the crusade against darkness"; and "Sight for Kidz" Vision Screening Program and Eye Glass Recycling are services provided in North Dakota; and

WHEREAS, Lions unite our global service around five areas of need — diabetes, hunger, environment, vision and childhood cancer — and North Dakota Lions provide service in all these areas; and

WHEREAS, the heart of all Lions Clubs is service, giving time, talent and energy to serve others and make a difference in their communities.

NOW, THEREFORE, as Governor of the State of North Dakota, I do hereby proclaim  
June 7, 2020, LIONS DAY in the State of North Dakota.

## Lions All-State basketball games

The Coronavirus Pandemic has really disrupted the whole world and the activities that are to take place. Well, the Lions All-Star Basketball Games fell victim as well. The Gateway Lions Club of Fargo and the Capital City Lions Club of Bismarck jointly announced that the games would be cancelled for the 2020 season. This announcement came from Co-Chairs of the event, Lions Allen Dockter from Capital City Lions Club from Bismarck and Darrell Costain from Gateway Lions Club from Fargo. The Lions All-Star BB Games pits the best of the senior ath-

letes from Class "A" against the best of the senior athletes from Class "B". (These contests are for both boys and girls.) The games usually are held during the middle of July. One set of games are held in Bismarck and one set in Fargo. This year would have been the 44th consecutive year for this activity.

The games have three main purposes; 1) Honor the best senior BB players in the state of North Dakota, 2) Give the players one last chance to play a high school BB game and have the fans watch

# 5NW DISTRICT GOVERNOR'S REPORT

## SHERRY M. FETCH

406 4th Ave NW, Mandan, ND 58554  
701-426-3432 • joyfullion2@gmail.com

Hello Lions of District 5NW, I write this message to you on June 7th, 2020, Lions Clubs International Birthday! What a day to celebrate!! North Dakota is also celebrating the First Annual North Dakota Lions Day! A copy of the proclamation from Governor Burgum is shown in this issue of the ND Lion. This idea originated from 1st VDGE Scott Ressler. We were hoping that Lions Clubs throughout the State of ND would come together in their communities the weekend of June 6th and 7th to celebrate this day with pancake breakfasts, spaghetti suppers or other forms of celebration. But the Covid-19 Pandemic has put a damper on many celebrations this year. Hopefully next year we will all be able to come together and celebrate.

We have another first for District 5NW. The 5NW DG Team has combined their efforts with District 5NE to create a Joint Virtual Spring Rally. This is the first time that the Districts from our State have worked together and combined their efforts for a project like this. It is to take place June 12th and 13th and I look forward to a successful event. I hope we will see Lions from all of our Lions Clubs participate. This is my final message for my District Governor year. I'm so proud to be a part of this District. I would like to take this opportunity to thank all the Lions in District 5NW for their support, friendship, and hospitality during this past year. It has been very enjoyable visiting

clubs throughout the District individually, at Zone meetings and other functions. Each club, whether small or large, has their own unique way of serving their communities and every one of these communities benefit by having an active Lions club. I hope you are all continuing to meet and to spread the kindness and fellowship that Lions do especially as our State becomes more open with the updated Covid-19 rules.

I would like to thank the Leos from our District who have contributed towards service in their communities. I am proud of the newest Leo Club, the Beulah Miners Leo Club, who have stepped forward in their community through service. I look forward to hearing many new areas of service through our Leos in District 5NW. I must also commend Leo Liberty Hurley, the President of the Mandan Leo Club and also the Leo Representative on my DG Cabinet. She has achieved the honor of being the 2019-2020 Leo of the Year from our International President, Jung-Yul Choi. I am so proud of this accomplishment from this remarkable Leo.

I must also thank my District Governor Team, DGE Kevin Bean and 1st VDGE Scott Ressler, who have worked diligently visiting clubs and attending Zone meetings allowing us all to have a successful year. Their ideas and vision have helped make this year very memorable. I commend all of my cabinet members who have worked so hard in their

respective positions. The Zone Chairs are, Lion Chris Brostuen of Zone 1-A, Lion Jacob Thrailkill of Zone 2-A, Lion Vivian Pendergrass of Zone 3-A, Lion Doug Rothe of Zone 4-A, 2nd VDGE Lion Jeanette Bean of Zone 4-B and Lion Carolyn Lean of Zone 5-A. District 5NW would not be as strong as we are without this great team of Zone Chairs. I also must commend my Global Action Team. The Global Leadership Team Chairperson, PDG Ginney Jones, the Global Membership Team Chairperson, PCC Arlen Fetch and the Global Service Team Chairperson, PDG Gary Morel; who stepped up to this position. They have all contributed to the successes of my DG year.

I need to thank PDG Mark Koller for being the LCIF beacon of our District. We have achieved so much! We have a very generous district to our Lions Organization. I am very proud to be a part of the leading district in Multiple District 5 for contributions to LCIF. We also have four LCIF Model Clubs this year! Thank you to all the Lions Clubs who stepped up to

this great honor for District 5NW.

Last but not least, I thank my partner in life and Lion partner, PCC Arlen for being my support and for his contribution along this wonderful journey. I am so proud to have him by my side.

Through him I have learned that, "Amazing Things Can Happen!"

As my year comes to a close, I would like to introduce the District Governor Team for next year; District Governor Elect Kevin Bean from the Mandan Lions Club, 1st Vice District Governor Elect Scott Ressler from the Bismarck North Star Lions Club and 2nd Vice District Governor Elect Jeanette Bean from the Mandan Lions Club. A great District Governor Team, all very qualified and devoted Lions who will serve our District well. I offer them my full support and wish them all very successful terms as the Leaders of District 5NW. For we are ALL "Lions On Fire To Inspire!"

## BASKETBALL continued from page 7

these games and 3) The Lions Clubs are using this activity as their main fund raising project for the year. The two Lions Clubs are meeting to see if they can honor the athletes in some small "SPECIAL" way. The athletes will not be able to play the games this year, but hopefully they will get some items from the

Lions Clubs for them to remember that they were LIONS ALL-STAR ATHLETES for 2020. (Plaques, jerseys, t-Shirts, etc.)

The Gateway Lions Club of Fargo and the Capital City Lions Club of Bismarck are planning for the games to be held for the 2021 season.

We then held a parade on May 29th with the students standing by their banners. Many dozens of cars filled with well wishers drove up and down Main Street wishing all students success in their future. It took over 30 minutes to drive the four mile route with several older model cars, a few decorated floats, the Fire Department and even a Fire Truck from Kindred. Cass County Sherriff Jahner was there to send off the parade with extra deputies providing traffic control. The evening was nice and the parade turned out to be very successful. Once the banners are removed they will be given to each of the students. A LIONS SERVICE IS NEVER ENDING!

As a salute to the 2020 Horace Senior Class, the Horace Lions created and installed banners with each of the students pictures on them.

# LFND Vision Grants

Did you know the Lions Foundation of North Dakota has vision grants available? Has your club spent funds on a vision related project (such as eye exams or glasses) or financially supported the North Dakota School for the Blind's 2020 Little Room Project?

This year may be financially challenging for many

clubs that are unable to do their summer fundraisers due to COVID-19. Your club can receive a vision grant to recoup some of the funds you paid out in the past year. The maximum is \$500, which would be a 50% reimbursement of \$1000 actually spent by the club. The application must include documentation

substantiating funds that were spent on vision-related activities between Jul 1, 2019 and Jun 30, 2020. The LFND considers grant requests received 30 days prior to the Board of Directors meeting. The July board meeting is scheduled for July 11th so complete your application and mail or email to
