

## Project Dad sparkles across 5NE

By Crystal Dueker  
Zone 7 and Zone 8 chair

Many of our Lions members are fathers and grandfathers. Each of them is a very special person in the lives of their family. This year, Father's Day in North Dakota was made extra special in a few towns within 5NE. Let me tell you about Project Dad.

I started in Fargo, by loading up 22 cases of Dad's root beer into my van after making arrangements ahead of time with various Lions clubs to drop off cases before or on the date set for Father's Day.

### Promote the Service

Napoleon launched an effective ad in their local newspaper: "Drive-Thru Father's Day. Napoleon Lions will be handing out Dad's root beer to Dad's and their children on June 20th. Just drive up, no need to get out of your car. From 11am til gone". Sec. Lorraine Piatz's home address was displayed. Later in the day, she told me how 5 children knocked on her door to ask if there were any bottles left. Imagine the joyful look on their faces when Lion Lorraine had exactly 6 root beers to give to their Dad and themselves! (Thank you, Sec. Lorraine for being part of the brainstorm in creating Project Dad with me.)

Also, posters were placed around Medina promoting that on June 21st, The Cafe in town would pass out a free

Dad's to all the fathers and their children during their meal inside as a gift from the Medina Lions. President Clyde Reister helped me with this service project and stated the Cafe was buzzing as it served over 150 bottles, at a safe-distance, to families.

A large display of Dad's root beer for Father's Day was promoted by Super Valu manager and Ashley Lions secretary, Kirk Rueb, as a gift from Ashley Lions for each Dad who "pops" into the store for a free bottle.

Hazelton Lions club treasurer, Dean Weiss, is seated alongside Zone 8 chair, Crystal Dueker of the Fargo Gateway Lions club holding the poster celebrating Project Dad during their community days parade/picnic on June 20th. With over 250 people; the food was served safely at various tables for everyone to spread out in the park.

# Put your eyes on Carrington

PDG Rick Swenson

Hopefully we will get back into our regular routine of Lionism this fall. Including going to the North Dakota State Lions Convention, which this year will be held in Carrington on October 23 and 24.

We look forward to seeing all of you. You can find a registration in this publication. Please run off more if you need them. Fees go up after September 1st so make sure you get them sent in before that date. As for lodging, we have the convention center site at the Chieftain Conference Center, 701-652-3131 and they have 16 rooms left. Carrington Inn and Suites, 701-652-3982 has 15 rooms left. The Cobblestone Inn and Suites, 701-652-3000 has 15 rooms left. Most of the rooms left are double rooms and you will have to ask for the rates when you call.

The convention has several things going on. Friday we have the District Cabinet meetings in the morning and Lions Foundation of North Dakota and PDG meetings in the afternoon. The volunteer choir will rehearse at 4:45, so come and bring your voices if you want to join. The ice breaker will start at 7 in the Cheiftain. We will

tell you the theme the next time we write an article for the convention. Our entertainment for the evening will be Grampa's Amp so get your dancing shoes on as well. (Chuck W no falling into the amps LOL).

Saturday starts with the breakfast and open ceremonies. The district meetings begin at 10:15 and the peace posters will be judged for each district. 11:15 is the first of 3 breakout sessions each having 6 choices of many topics such as vision, stress reduction, being a Lion, Leader Dog, New Voices, a Guatemala trip, NAMI, diabetes and more to be named later.

12:15 is the Hall of Fame luncheon with a keynote speaker from the ND Governor's office. 2:00 and 3:00 are the second and third breakout sessions, followed by the State Lions Meeting and the Parade of Green. The evening starts out with the Memorial Service and finally the banquet. You will hear more about the convention in the next few issues. Remember to get registered and reserve a room so you won't be left out of a great convention. Lets show DG's Grant and Kevin how our EYES can focus on CARRINGTON.

Lions logo on the Ashley Super Valu store.

Isn't the Lions Logo on the side of his grocery store MAJESTIC!??

I also arranged with Lions clubs to show up at their events.

On June 20th, Hazelton held a parade/community picnic. By the count of bottle caps served by Treasurer Dean and myself, there were unexpected smiles on 75 Dad's faces as they received a gift of Dad's root beer from the Hazelton Lions Club.

President Mark Schmidt told me the following week how the Community Leaders expressed their appreciation for the Lions service project.

Meanwhile, in Linton, "The Grill" owner, Lion Mark Heidrich, authorized almost 50 Dad's bottles to be freely given to Dads along with their orders for inside dining.

Did you know Gackle has reopened a dine-in/take out place called The Freeze? On

Father's Day, Lions Club Secretary, Rory Metz, and I handed out a free Dad's to over 40 dads inside, with the blessing of the new owner, Estee Nenow. We even made a few root beer floats with ice cream purchased at The Freeze by fathers and their family.

Later, still wearing my blue MD5 Lions vest, it was back on the road to hand out bottles of Dad's to Dads in Braddock, Kulm, Streeter, and Lehr. Earlier a few bottles had been handed over to Edgeley Lions Treasurer, Diane Greiman, to distribute. A few days later, I handed out the remaining bottles of Dad's to various Lions in Zeeland at their community picnic. Project Dad was a fun service accomplished by hauling over 500 bottles to be given out safely in making Father's Day more important during this time of crisis. Afterall, isn't our motto: WE SERVE?

**Campaign 100: LCIF Empowering Service is making a powerful impact as we are at the halfway point of this fundraising campaign. Surprise Surprise! It's a LCIF fundraiser for your Lions Club.**

District 5NW LCIF Coordinator, Mark Koller and District 5NE LCIF Coordinator, Rick Swenson are happy to announce the launching of a Campaign 100 raffle fundraiser for both district 5NW and District 5NE! We have great prizes from our Scheels store in Bismarck and Fargo. Everything from *Fishing rods to Men's and Women's Mountain Bikes*. 15 items totaling \$5900 in value! The prizes range from \$300 to \$550. Each Lions district will be doing their own Campaign 100 fundraiser. These fundraisers will start the week of August 2nd and both districts will be drawing their own district's prizes on Saturday October 17, 2020.

We need to finish strong again this year with fundraising for Campaign 100, so we are asking all of our clubs and our Lion members to support this fundraising raffle.

Here is the way our raffle will work:

- 1) The LCIF District Coordinator will email and contact each Lions club with the details of the raffle.
- 2) The clubs will receive their raffle tickets in the mail and share information from the mailing about the raffle with their Lion members.
- 3) Clubs will distribute the raffle tickets to Lion members
- 4) The cost of each raffle ticket will be \$20 per ticket.
- 5) The club will be expected to mail in their monies and ticket stubs by a pre designated date TBA, to their District LCIF Coordinator. Our goal for ticket sales will be 1 raffle ticket per Lion member.

The number of raffle books your club will be receiving will be based on your club's membership, as we will send you books of 10 raffle tickets and round up the numbers.

EX: A club with 33 members will get 4 books of tickets totaling 40 tickets. We will not split up books of tickets.

There will be plenty of information in each mailing, along with a phone call from your district coordinator explaining all the details of this fundraiser for LCIF.

Since Campaign 100 is in full swing, this raffle is a fundraiser all ready to go and prepared for your Lions Club. Your club and club members sell the tickets, have a little fun with it and send in the money. The net money that is sent in will also be eligible for Melvin Jones Fellowship credits for your Lions club.

When you are lucky and win a prize, which you may not be able to use, you will be able to redeem the monetary value of your prize for other merchandise at the Scheels Store in Bismarck for District 5NW winners, and the Scheels Store in Fargo for District 5NE winners.

**Good Luck to Everyone!**

## GRANT KAHLBAUGH

3393 Primrose Ct. Apt. 108 Grand Forks, ND 58201  
701.739.2761 • hatcollector2000@gmail.com

Greetings Lions of District 5NE! I am looking forward to serving you as your District Governor.

I would first like to extend my appreciation to PDG Lion Kathy Clemens who has been my rock and sounding board for all things Lions. PDG Kathy has done amazing things for our district. Her theme "Service Creates Sunshine" and her smile has brought in a new Lions Club – The Mapelton Lions Club.

I would like to give a very special thank you to our Guiding Lions, PDG Rob Lein and Lion Paula Swanson Western, for their hard work. PDG Kathy will not be leaving us so quickly as she will be on the Global Action Team (GAT) for the Multiple District and for our district as the Global Leadership Team (GLT).

I would like to share an excerpt from a Lion who I met at District Governor Elect training in St. Charles, IL. His name is DG Lion Robert Bodick.

*"Greetings Fellow Lions, and all others who happen upon this posting. Please read and share with as many Lions as possible and with those who are perspective members of your clubs.*

*On June 6, 1944 Operation Overlord, one of the greatest and most important battles in all of WW2 commenced. One of the most treacherous areas that needed attacked right away was The Dog White sector of Normandy.*

*Then Brig General Norman Cora 29th Infantry Assistant Commander approached Maj Max Schnei-*

*der commander of the 5th Ranger Battalion and asked, "What outfit is this". Schneider responded, "We are Rangers Sir" Cota responded with "Well (followed with an expletive) Rangers will lead the way".*

*From that point on the Ranger Motto was "Rangers Lead the Way", and that they did as they scaled mountains, and fought hard long fights. Rangers were then and continue to be some of the most elite forces in the world.*

*TODAY 1 JULY 2010 marks the start of our Operation our Battle into our year as District Governors, and for many club presidents the list goes on. To this I ask, "WHO ARE WE, WE ARE LIONS, AND LIONS WILL LEAD THE WAY."*

*Think about our term this year, our term started with our leader 1st International Vice President Judge Townsend passing away, then we have Covid 19, our international convention was cancelled, and many other challenges have presented themselves.*

*But LIONS LEAD THE WAY. This is our war and our enemy still lurks. Who is our enemy, it's blindness, diabetes, hunger, the list goes on. During lock down Lions have stood firm and responded well but the fight continues.*

*We have mountains to climb and much terrain to cross. We have been given challenges, and our marching orders have dropped. Forward on my fellow Lions no retreat.*

*I also encourage those*

*who are not Lions to highly consider joining our organization. We are elite, we are over 100 years old and 1.4 million members strong. 100% of money taken in is used directly for service, not many other organizations can say that. We would love to have you reach out to a local club and become a member.*

*Blessings to you all in this the year of greatness. And if you ever hear me say: "LIONS LEAD THE WAY" the proper response shall be "ALL THE WAY".*

*Lion Rob Bodick  
District Governor 3NW  
2020-2021"*

This year will be a challenging year. Like my friend Robert has said LIONS LEAD THE WAY I know now that the Lions of District 5NE will do great services.

What a great tribute to the history of our Heros and the future hero Lions of the World. The goals for this year are to utilize the resources of our District and collaborate with our NAMI Champion, PID Lion Robert Littlefield, and the GAT Team of our district to increase our membership by a +2 per club growth and a new club growth of +3. I am confident if all Lions of District 5NE link arms together we can accomplish

anything we want to.

I want to encourage all Lions in the district to find new ways to bring service to their communities and to explore the new and sometimes frightening online world to have meetings available to your club members both in person and online.

The ND State Lions Convention planning committee met Saturday June 27th. We are still planning for an in person convention but also understood the possibility of having to hold the State Convention via online. The committee is waiting to hear from the School in Carrington and is waiting for State Health Dept. guidelines. We hope to know by the end of July and have a decision made by the Cabinet meeting to be held in Jamestown on August 8th 10 AM – 2 PM and will also be available online.

Please enjoy your summer, stay safe.

"Generations of Service" is my theme for this Lion year.

"We are United in Kindness and Diversity" Lions International President Dr. Jung-Yul Choi

# District 5A Golf Tournament playing for the 21st year

Yes, It's a go. The 21st Annual District 5A Golf Tournament will be played on Friday, August 21, 2020. Registration at noon and a shot gun start at 1pm. We always have Hole prizes and a Special Shoot-out that proves to be fun and profitable for the winner.

This tournament developed from a Zone 5A District project where we planted 300 trees at Cole Harbor, North Dakota. Everyone had such a good time we decided to have a Golf Tournament. That was 21 years ago and we want to see this time as a District keep us as Lions.

The tourney was cancelled in June due to the Covid-19 pandemic. Time now tells us that we are safe out in the

fresh air and golf is certainly that. The committee revisited the cancellation and now have it planned for August 21, 2020.

We will tee off on the beautiful 18 Hole Painted Woods Golf Course. One of the premier courses in the state that just gets better every year.

If you have golfed this tourney in the past or if you would like to golf this year, there is a copy of the registration in this months ND LION or call us at 215-0305 or 220-4410. We have left it open to non Lion teams. When they see how much fun we have we can recruit new members.

We hope to see you August 21st at 12 o'clock.

Get set, ready, and GO Team 5 NW! I am Kevin Bean your District 5 NW Governor. I believe that 5NW has elected 3 strong individuals, 1st VDG Scott Ressler, 2nd VDG Jeanette Bean, and myself to help lead our district into the new and improved future of Lionism. Over the last several months we have met with our district and multiple district leaders in regard to the North American Membership Initiative (NAMI). district team.

At this time I would like to introduce the rest of our 5 NW district cabinet: Immediate Past District Governor Lion Sherry Fetch, Secretary Lion Debra Frank, Treasurer Lion Lynn Helms, LCIF Coordinator and District GLT Coordinator PDG Lion Mark Koller, District GMT Coordinator PDG Lion Sherry Fetch, District GST Coordinator PDG Lion Gary Morel, Region Chairs Lion Lynn Grabow and Lion Jacob Thraillkill, Zone Chairs Lion Chris Brostuen, Lion Carolyn Lean, Lion Vivian Pendergrass, Lion Jeanette Bean, Lion Broch Seibel, Lion Jacob Thraillkill.

I would like to thank the above Lions who have stepped up and taken on these roles of leadership and

dedication so that our continued connection with the clubs and district will grow in strength, communication, and membership throughout the year.

"Anyone can be diverse, and anyone can be kind, but it takes guts to do both! Let us execute this union together!" Beverly Bean, my sister, sent me this slogan so that I can remember why, what, and, who I am, meaning that under no circumstances I should never think of myself better or above anyone! I would like to pass on that same concept to our district. We are all volunteers and servants to our communities. If we continue to have that mindset I believe we are doing what the organization was designed to do and that's WE SERVE! With or without

the red jacket I am Lion Kevin Bean from LA (lower Alabama) that loves people of all shapes, sizes, and colors. Our International President theme for the year is, "United in Kindness and Diversity" and with that in mind lets spread love, upliftment, and encouragement to all mankind. My DG team and myself will be contacting all clubs to setup our yearly visitations so we can provide any help, support or just to chat about your community and family. "Don't look down on a man unless you are looking down to pick him up". Blessings to you all and stay safe, well and happy.
