

PCC Mike Brand to be inducted into Lions Hall Of Fame

Lion Mike Brand will be inducted into the North Dakota Lions Hall of Fame at the State Lions Convention in Watford City, during the Saturday luncheon on October 23.

Past Council Chairman Mike Brand is a familiar friend to anyone who held the position of District Governor from 1991 to 2016. During those years he was the Secretary/Treasurer of Multiple District MD5 (comprised of North Dakota, South Dakota, and Saskatchewan), and as such he and his wife Barb were mentors to the nervous new District Governors from all of those places each year, guiding them from their early training as Vice District Governors throughout their terms as Governors. As PDG Duane Zwinger puts it, "Lion Mike was the glue that held MD5 together. He was the Lion that knew the ins and outs of everything in MD5."

Going back to the beginning, Michael was born in 1948 in Charleston, West Virginia. His father was a military man and the family spent several years

stationed throughout the United States. They finally settled in Wanda, Minnesota, where Michael attended Wabasso Public High School. He graduated in 1966 and enrolled at Minnesota State University Moorhead (MSUM). In 1971, Michael graduated from MSUM and accepted a position teaching Industrial Technologies in Bird Island, Minnesota, where he first became a Lions Club member. It was a club that had lots of energy and fun, which impressed him. That experience drove him to continue serving as a Lion for over four decades. Due to a change of employment and moving, Michael dropped his membership in 1978. After getting settled in Valley City, North Dakota, he rejoined the Lions Club in 1982. He has served two terms as president, once in Valley City (1992) and once in Fargo Gateway (2017).

While serving as club president, he led his clubs in Valley City and Fargo Gateway to obtain the "Club of the Year" Award, in the 5NE District, and

Multiple District 5. On the local level as a leader in the Gateway Lions Club, Lion Gelaine Orvik says that Michael has had a dynamic effect on the Fargo Gateway Lions Club. "His leadership, knowledge, and constant infusion of energy has been the impetus needed to make a good club into an outstanding club."

Lion Michael has held many offices within the association. He has been a Zone and Region Chairperson, District Governor (1988-89), Council Chairperson the following year, LCIF District Coordinator, and as was stated earlier, Multiple District 5's Secretary/Treasurer for 24 years. Michael has served a total of 44 years in the Lion's Association.

In recognition of his service to the association, he has been awarded many honors: President's Excellence Award, 100% District Governor, Progressive Melvin Jones Fellow, International President's Certificate of Appreciation (3), International President's Award, International Leadership Award, and

Membership Advancement Key Award for 10 members recruited.

In 2013 after 43 years of marriage, Lion Michael lost his wife Barb. She was a huge part of the Lions Association and the driving force behind several technological improvements while he served as MD5 Secretary/Treasurer. Lion Michael has two grown children, Matt (Casey), a Captain with the Fargo Fire Department for 18 years and Andrea (Wade), an ELL teacher for Grafton Public Schools for nineteen years. Lion Michael has five grandchildren—Zoey, Bode, Grady, and twins Maddox and Owen.

Project Little Room is Going to Finish BIG!

By **Lion Tracy Wicken**,
Grand Forks South Forks Lions Club

Greetings ND Lions! I want to give all of you an update as to the progress of Project Little Room! Thank you all so much for the support that you have given this vision related project. Project Little Room launched in March 2020 and just a couple weeks into the month, things in the world seemed to come to a screeching halt! The way in which many of us do things changed and we were distancing ourselves from each other. That is a hard way for a service organization such as the Lions to function! Even with the Covid pandemic, Project Little Room efforts continued and ND Lions along with other interested parties supported and forged ahead to see this effort through! It took a bit more time to get the word out and raise the funds to purchase 10 little rooms, but there is now a light that grows brighter each day at the end of the tunnel! We are so, so close to that \$35,000 goal that I know we will reach it by the end of 2021. Club donations as well as personal donations have come in and they will continue to be received to go towards this project until the end of December of this year, 2021.

To this date, two little

rooms have been ordered and purchased. There was a delay in receiving them as demand was greater than their supply and backorder was experienced. These two little rooms were purchased unassembled which saved some expense. In the process of being assembled, these two little rooms required a lot of time and the right equipment to drill holes with very little room for error. It was decided that future little rooms ordered will be ordered already assembled for accuracy and timeliness for placement with families that need them for their children.

The following is a list of all donations received as of the writing of this article (Sept 1, 2021). There will be a booth/table at the upcoming ND Lions Convention in Watford City and a little room will be there for all to see. Please keep in mind that if your club donates to this project, they can submit a Vision Grant Application for reimbursement up to \$500 to the ND Lions Foundation. Thank you all again for your terrific support and helping to make this project a success! Vision professionals and parents of children with visual impairments are very grateful.

Scooby Project produces a Princess

By Crystal Dueker
5NE Service chair

Lions members from various clubs have asked me, "Did Scooby ever get replaced?" or "What is the latest news on Scooby?"

Well, everyone, the time finally arrived, as reported by James Johnson of The Trail County Tribune, dated July 22, 2021: "A beautiful princess roams the halls of Luther Memorial Home. Princess is a four-legged golden-labrador mix

from Service Dogs for America, part of the Great Plains Assistance Dog Foundation in Jud, North Dakota."

Johnson continues, "Princess spent time with Scooby during training visits. Scooby, who is in her teen years, now lives with a LMH employee and makes off-and-on visits. (Princess takes naps)... after daily room-to-room visits and outdoor play (with the residents). Princess is trained to press the button that opens the accessible door that leads to the court-

yard."

Lysa Wright, activities director at LMH, is quoted in the article, "Different staff and residents take her (Princess) outside and play fetch with her."

On a sad note: Scooby passed to doggie heaven on August 16, according to the Silver Lining blog of LMH. Let's think positive about this: Scooby was a dedicated dog, from SDA of Jud; who spent 12 years, focused every day to help soothe and bring

comfort to the residents of LMH. When she was introduced to Princess, also from SDA of Jud; and realized the "new kid" could do the job well and was ready to take over the duty, perhaps Scooby might have just been ready to finally be retired. Perhaps, as PDG Katherine Tweed-Fargo and 5NE Service Dogs of America chair, Salli Lou Anderson said, during our recent phone conversations, "it was the passing of the paw."

LCIF: A Foundation of Lions, a Foundation of Service

By PDG Mark Koller
District 5NW LCIF Coordinator

We have entered the final year of Campaign 100. With a goal to raise 300 million dollars worldwide when the campaign has ended, we need to finish strong to meet that goal. The total dollars raised as of now is \$218.8 million. In District 5NW we have had another record year in giving to Campaign 100 during fiscal year 2020/2021.

With that being said, Campaign 100 has come up with the District and Club Community Impact Grant (DCG) Program. The DCG program is an opportunity for clubs and districts to utilize and bring back to their clubs and districts, in the form of grants, some of the funding they do-

nate to LCIF. For clubs that qualify, they are eligible to apply for a grant equal to 15% of their total contributions for any one year during the campaign.

DCG funds can be used to support specific humanitarian activities and highlight Lions in the communities they serve. The DCG program is becoming a very successful resource on getting grants awarded at a fast pace to help our communities.

How can my club or district qualify? A club will qualify with a minimum of \$5000 donated to LCIF within one fiscal year. Those eligible clubs will receive 15% of that \$5000 to be used as a grant from LCIF for qualifying project/projects. We have a

few clubs that have already received their grant funds awarded to start projects in their communities.

When the district or club is notified from LCIF that it qualifies for DCG funds, it can apply any time. Club applications shall be signed by the current club president and certified via the current club board. Applications submitted by the district must be signed by the current district governor and also certified via resolution by the current district cabinet.

Summing it up, our Lions Clubs will apply by filling out their own DCG application form and submitting it to LCIFdistrictandclub@lionsclubs.org. The district has a DCG committee that is

working on some grant application ideas. The district can apply for the DCG funds by sending a complete grant application to LCIFdistrictandclub@lionsclubs.org For more information of how this DCG works, please contact one of your District Governor Team members or your LCIF District Coordinator.

I thank all of you for your support and generosity to Campaign 100 these past years. And yes we can finish strong again, as we have done in past fundraising campaigns.

"100% of every gift of every size given in support of Campaign 100 returns to a community need."

Past International President, Dr. Jitsuhiro Yamada

5NE DISTRICT GOVERNOR'S REPORT

Greetings Fellow Lions:

Our first 5NE Cabinet Meeting was held on August 14th at the ND Vision Services/School for the Blind in Grand Forks. Superintendent Paul Olson, also a Lion, and his staff were great hosts. Fifteen Lions were there in person with eight more using the Zoom platform. We discussed our district goals for membership, service, leadership training, and LCIF support. We established a 'club extension team' (CET) that would be responsible for doing the groundwork leading to the establishment of some form of new Lions club, once a potential community was identified.

Our district received great news in August when Rick Stark from the Tuttle Lions Club agreed to be our 2nd VDG. Rick is a dedicated Lion who has served as a club officer, president, and zone chair. Congratulations Rick. We welcome you to our district governor team and look forward to helping you in any way we can. This is a victory for Lions from small-

er communities. Tuttle has a population of approximately 77. I encourage Lions from our district to register for the state convention in Watford City to support Rick as he starts his journey to become our district governor.

I made five visitations in August, during which I had the pleasure of presenting three Melvin Jones Fellowships and three membership keys to Lions who recruited more than one new member. In September, I am attending the USA/Canada Forum in Des Moines, IA. Highlights of this event will appear in my October, ND Lion article.

Each month I will highlight one of our 5NE goals that was briefly mentioned in the July issue of the ND Lion. This month it is (2) assisting clubs in reporting service hours. Our district's goal is to increase the percentage of clubs reporting service from 50% to >80% during the 2021-2022 Lion's year.

How do clubs and districts collectively benefit from reporting service?

Reporting service creates a database of the great projects that can be repeated in other communities.

Clubs that report service become eligible for service awards and other forms of recognition.

If service activities are not reported, Lions Clubs International (LCI) has no documentation that it ever happened. LCI uses these reports to verify how many people have been served annually on a global basis.

A high percentage of clubs reporting service is a sign of a healthy district.

To assist your secretary in making monthly reports of your clubs' service hours and the number of people served, I encourage them to go to the (lionsclubs.org/service-reporting) site. Additionally, contact your District Administrator Kristi Swenson

(kristi.swenson0155@gmail.com 701-302-0155). By following a few simple steps, you can report a service project in less than 10 minutes. Reporting is the final step in completing a service project. Your club's members deserve to have their humanitarian efforts documented as part of LCI's service journey.

Douglas Alexander

"Food, Fun, and Community: All is Good"

By Lion Secretary Mike Martin

A celebration of community and Lionism was held Tuesday, August 24 in Enderlin's Baxter Park. 76 Lions, spouses, District Lion Officers, members of the Grant Hutterite Colony, and friends enjoyed a wonderful August evening, complimented by harvest fest which was catered by TraXside Cafe. Part of the memorable evening were games and fun enjoyed by the Hutterite Colony children. Lion Anna Fuka, along with Kimmy Morrison, organized activities. These games, along with the Park's play-ground equipment, provided wonderful entertainment for many. Enderlin Lion Club President Bobby Geske welcomed all at 6:00pm and the Enderlin Area Public School Music Department's public address system was put to good use. Lion Grant Patterson delivered the meal prayer and attendees were served hamburgers,

L-R: Lions Zone Chair Scott Hildre, Enderlin Lion James Ekeren, Lion Dean Torbenson, Lions Governor Joe Sowokinos, Enderlin Lions Matt Lund, Susan Dopp, Bobby Geske, and Lions Zone Chair Crystal Dueker.

hot dogs, sweet corn, baked beans, potato salad and a fruit medley. All was topped off with a genuine root beer float.

Following the meal, President Geske introduced special guests including Enderlin Mayor Deon Maasjo and wife Nancy, 1st DG Scott Hildre, District Governor Joe Sowokinos, and Global Team Member and Zone Chair Crystal Dueker. DG Joe assumed the podium. He presented Lions Susan Dopp and Karlton Stordalen with "key awards."

These vest pins were issued by Lions International to these members for recruiting two new Lions into the local club. Lion Tom Nord also was awarded a key but was unable to attend. DG Joe inducted the Club's newest member, Matt Lund, so he and sponsor Lion Dean Torbenson took center stage.

DG Joe continued his official duties by giving the back story of the Melvin Jones endowments. A Melvin Jones is the "highest recognition"

given to a Lion and part of the award is an endowment going to the Lions International Foundation. Lions James Ekeren and Susan Marie Dopp were recognized with a Melvin Jones Fellowship with DG Joe Sowokinos presenting the fellowships. Melvin Jones is named after the Lions Club Founder and is a testimony to an individual Lion's commitment of continual good work.

It was an enjoyable evening for everyone.

By the time this article hits the ND Lions magazine I will have had the opportunity to do a few club visits. And what an opportunity it is to visit our Lion Clubs. It is exciting to see what Lions are doing and how they are serving.

One way for you all to see what other Lions are doing is to attend another club's meeting, attend your zone meeting, attend the Spring Rally and of course, attend the State Convention in Watford City, Oct 22 & 23.

Speaking of the State Convention in Watford City, I'm encouraging you to attend. This year's convention committee has done an excellent job of planning a wonderful convention in the northern part of the North Dakota Badlands and truly the heart of the Bakken oil patch. You will be impressed at this year's convention site, the Rough Rider Center, a very beautiful multi use building. We have plenty of events scheduled which will give you

all the opportunity to learn, discuss and share ideas with other Lions. In fact, I encourage you to talk with other Lions and gather many great ideas to use with your club. We are also so fortunate to have as our guest speaker, International Director Justin Farber.

If you have never been, or it has been many years since you've traveled to western North Dakota, you will be amazed at what you see on your way to Watford City. If you are traveling across the state on I 94, I encourage you to go a few miles past the Hwy 85 exit and stop at the Painted Canyon rest area. Have your camera ready! It is a view I never tire of no matter how many times I've seen it. It is well worth the small side trip, and it is easy to get to on I 94 as well as returning

to the Hwy 85 exit to drive north to Watford City. As you approach Watford City you will get to pass through the Little Missouri River Valley, and you want to stop at one of the overview spots to take a few photos. This is a beautiful view, from both sides of the valley.

For those of you attending the convention and traveling across the state on Hwy 2, you also have some great viewing. If you are traveling later in the day, you will get the view of the North Dakota northern lights, or what is commonly know as the oil well flaring. North Dakota has done an excellent job in containing the burning of the natural gas but those site that do burn offer a beautiful site at night. If you have traveled the Hwy 2 route at night, I encourage you to head back

SCOTT J. RESSLER

east by a different route. Consider heading east out of Watford City on State Hwy 23 and head north on State Hwy 22 towards New Town. Before getting to New Town, you will also pass through another beautiful viewing area. Remember to keep your cameras ready. If you have time and some extra money, a side trip to the Four Bears Casino might be of interest to you. You will also be impressed at the sight as you travel over the Missouri River.

There is so much to offer you at the Lions State Convention this year, please join us, you will not be disappointed! You might even run into Teddy Roosevelt! Oh yea, have your camera ready for that also. See you in Watford City.

Charter Celebration for the new Powers Lake Lions Club

On August 15th a celebration was held for fifty-one new Charter Members of the Powers Lake Lions Club. The magic is in the numbers. They are a young club with great ambitions for their community. They are Lions.

Sunday started out with a fundraiser put on by the new club. They served a meal at 11am – 2:30pm. Brats and Burgers with all the trimmings. They had the best desserts and a lot of food.

At 3pm the Charter event began. It was very well attended not to mention the temperature was 99 degrees. Council Chairman Kevin Bean gave the Opening re-

marks and then our Guest of Honor, Past International Director Pat Vannett welcomed the new Lions to the world of Lions and spoke to them about their mission and what it could be for them. She spoke of their new beginning and thanked them. Past International Director Pat inducted the entire Powers Lake Lions Club. Visiting Lions from the whole District 5NW pinned the new Lions and everyone celebrated. District Governor Scott Ressler presented gifts to the Club.

The next speaker was the new club President, Mark Enget. He is an amazing

leader who is proud of his club and is ready to lead. He did comment that he attended every start-up meeting until the meeting they had the election of officers, he was voted in by a unanimous decision and then called to see if he would accept. He claims he will never miss a meeting again.

Council Chair Kevin closed with the signing of the Charter. The Stanley Club has agreed to mentor the new Club with two members taking the lead. Lion John Gaebe and Lion Gary Evans will guide them through their first year and more if they need it.

For those of us who encouraged the club, held informational meetings and then collected the new member applications, it has been a heart-warming experience. This club wants opportunities for their community to have the Service of a Lions Club. Lions Clubs International empowers volunteers to service. After the event a new Lion came up to me and said "now I get it. Our club is now part of a bigger picture. That's what Charter means, were apart of something BIG." I think that is something we all need to think about.

Emerado Arvilla Lions participated in the 7th annual corn feed in conjunction with an event sponsored by the Emerado Community Endowment Fund

The Lions participated in a corn feed in conjunction with an event sponsored by Emerado Community Endowment Fund. Emerado Arvilla Lions picked 125 dozen cobs of sweet corn. The corn was planted and donated by Curt Hager. The Emerado Fire Department joined in picking and husking as well as community members and a Grand Forks Air Force Airman. The corn was cooked and buttered!!!

The day had many vendors, live music, a car show, kids activities, a food court, and a caricature artist. The Emerado Museum had its grand opening as well. It was a great day!

It's Peace Poster time

By Carla Lein
*District 5NE Peace
Poster Contest chair*

“We Are All Connected” is the theme for the 2021-2022 Lions Peace Poster Contest. Young people ages 11, 12 and 13 by Nov. 15, 2021 are encouraged to participate.

Clubs will pick winning posters, and those winning posters will be brought to the District 5NE and 5NW meetings at the state convention in Watford City.

Posters are to be no smaller than 13 inches by 20 inches, and no larger than 20 inches by 24 inches. No names, numbers or letters may appear on the front of the posters. Reli-

gion and politics are also not allowed on the posters. Bright colors, faces, symbols, flags, animals, people and landscapes are encouraged to be shown. Posters are judged on originality, artistic merit and expression of the theme “We Are All Connected.”

Clubs can sponsor one or more schools or youth groups. Clubs with multiple posters may choose one winner per grade level before the poster goes to the state convention.

Each district will choose one winner to go on to the Multiple District 5 competition. The MD5 winner goes on to international competition. The first and second-place finishers per district will be

displayed on MD5 calendars, which will go on sale later.

Clubs are allowed to give out prizes, money or otherwise, to the club's top placers. Feel free to make everyone a winner by giving every participant some appreciation prize.

Minot

The Minot Lions Club held their annual TrySlothalon on August 21st! A fun time was had by all!

Horace

The Horace Lions were proud to again be a sponsor of the annual Horace Bean Days celebration. Saturday August 28 started with a Fun Run followed by the Horace Lions Pancake Breakfast. With help from 20 members and dozens of local Scouts, we served around 450 hungry people. Several activities kept the crowds busy during the afternoon and at 5:00 PM the Scouts from Troop 274 opened the parade with the presentation of the colors. This was followed by many wonderful floats and other entries. Of course, one of the hits of the day is the Barrel Train. Lion Tom Kenville provided rides to the youngsters from 2:00 - 4:00, drove in the parade and then provided more rides after. He is shown with the train fully loaded and many more waiting for their turn. We have replaced many sets of wheels and tires through the years.

Horace Lions and about 30 members of the community helped to clean the ditches just before Bean Days in Horace. Six miles of ditches were cleaned in two hours. Lion Lonnie Wangen provided his pickup and trailer to haul many loads to the dumpsters. Thank you to all that came to help. It takes dedication from the community to make our town a wonderful place to live.

Although Sight Challenged himself, Lion Allan Peterson of the Horace Lions club has never let it stop him from being an advocate for the blind. He has worked tirelessly through the years in service to his fellow man. At the recent National Convention of the American Council of the Blind in July, he was presented with the Derwood McDaniel Award. The Derwood K. McDaniel Ambassador Award is given in memory of Derwood McDaniel who is recognized as the founding father of the American Council of the Blind. It is given in recognition of a person who exemplifies the spirit of Derwood McDaniel in their work in the community which helps advance the quality of life for people who are blind and visually impaired. He is shown with the plaque and President Lion Con Vetter of the Horace Lions. The Horace Lions extend a note of congratulations Allan and thank him for his continued SERVICE to our club.

10. Membership and Retention by CC John Emmett – Council Chair John Emmett provided topics to remember:

a. We need to retain and strengthen membership; b. Membership is by invitation only; c. Review the Code of Ethics; d. Review the seven membership categories; e. Moral character and good reputation is determined by the club; f. Look for men and women members; Age is important. Look for members at work, local business, church, and neighbors and look for other organizations to partner with your club. Prospective members should be introduced to make them feel special. Consider a prize for members that bring in new members. Make sure there is follow-up with prospective new members. Make induction of new members a special event and have the new member kit on hand. Ensure new members are included in projects and activities. A strong club has active members that participate. It doesn't matter if they attend meetings as long as they participate in service projects. Evaluate club service projects to ensure quality and that outcomes are consistent. Make sure there is fun. Have someone follow-up with members that leave the club and involve their sponsor. Have a process for members to express their concerns and opinions. Do club surveys. We have an obligation to make the club as meaningful and successful as possible.
