

“Meals On Mules: Nature’s Choice”

The Enderlin Lions Club provides volunteers for “Meals on Wheels”. Every Tuesday a Lion uses his or her own vehicle and their time. They ensure hot meals are delivered on a reliable basis to shut ins. Usually some 15 meals are dropped off on a 3-mile route and the chore takes around an hour. The volunteers receive neither compensation or mileage. It is a community service and the Lions Club is proud to be involved.

But there is a growing bug in the stew. Global warming, AKA climate change, is ruining the land. Based on infallible science, the Great North polar bear, fleeing disappearing ice floes and with no seals to eat, will be marching into Ransom County, North Dakota by June 4 of this year. Two month later, August 3 to be exact, Enderlin will be under 8 feet of melted polar cap. Yes, it is doom and gloom. Fossil fueled vehicles and machinery are to blame. They dump carbon dioxide into the atmosphere and this insulating blanket circling the globe raises the average temperature by 7 degrees every 16 days. Meals on Wheels drivers unwittingly contribute to our planet’s scheduled demise in 2024.

But wait! Hope and sanity is here! Meals on Wheels can be delivered by mules! The original “eco-friendly”

Lion Mike Martin with the original Ruth The Mule. "Making History with Enderlin's First Meals on Mules!" "H'EARS Hot Food!"

traditional mode of transportation! No fossil fuels, no carbon, no polluting emissions. And an intelligent animal companion to boot! What is not to like? “Meals on Mules” it is!

A Meals on Mules trial run proved the brilliance of this solution. Walking the mule to and from Enderlin added only 2 hours to the route. If the volunteer and mule are unlucky (and, is there any other type of luck?) a CP Rail train will be blocking the downtown crossing. The final two meal stops are on the other side. Two choices: One, add another

hour by using the highway 46 overpass. The overpass does not have a pedestrian lane and is dangerous. The second choice is for the team to pack a sleeping bag, tent, Coleman stove, food and coffee and a tie-out rope and picket pin. With this gear they can comfortably camp by the parked train until a considerate CP train crew (and is there any other type of train crew?) can follow the law and move the train. Regardless the choice, a necessary precaution is including a high powered rifle for the roving polar bears looking for lunch courtesy of Boo-

Boo the cat or Olaf the dog. All of this is a small price to pay to remain in the soothing bosom of Mother Earth.

This green delivery service’s motto is “H'EARS Hot Food” and the mules are cutting edge carbon neutral locomotion. The mules are generously provided by Lions Mike Martin and Susan Dopp and they are stabled west of Enderlin. Mules, a primitive but reliable source of power, are now the solution for tomorrow’s nightmare.

LaMoure Lions: On Track with Service to their Community

BY LION CRYSTAL DUEKER
SNE Service chair

Community spirit is on display again in LaMoure as the local Lions prepare to help raise funds to replace the high school track for use by Lobo athletes and community members. As a 501c3, the Lions started their momentum for the project back in May 2022. According to Lion Greg, The Lobo Track partnership between the community and the Lions is in full throttle..

The latest news shows the LaMoure Lions, under the leadership of Club President Mitch Carlson (superintendent of the high school) and Secretary Greg Pedersen, have created a detailed plan to help the town achieve the goal of a new Lobo Track in 2023. People know they can trust Lions to help their community. Any Lions club in North Dakota could consider

making a financial donation to:

LaMoure Lions
Box 282
LaMoure, ND 58458

The Track Project plan: (details from The LaMoure Chronicle and Sec. Greg Pedersen)

- Phase 1- a donor has stepped up to provide the cement and the labor for the high jump and the long jump area. His partnership with the community and the Lions club is set to save over \$30,000 in costs. Goal met/ plan is set for May 2023.

- Phase 2- a professional track company will reclaim the old asphalt and lay new foundation. Cost over \$230,000. Already, pledges have been made to the Lions club for these costs. Goal met.

- Phase 3- Synthetic poly mat for 5K racing track/ rubberized and markings. Goal

to raise over \$120,000. (12% has been pledged/donated)

- Phase 4- upgrades are \$50,000-hurdles, starting blocks, mats, misc.

- 50% of the entire cost has been raised or pledged over 3 years. Project is set for completion in August 2023.

My viewpoint--many of the readers might remember the LaMoure Lions success with the Sunset Park Renovation back in 2021. The Lions

organized fundraisers, such as BBQ dinners, golf scrambles, and other community events. LaMoure Lions were a huge part of reaching the goal for the Park Renovation. I believe they will do it again with the Lobo Track project.

Good job in partnering your time as LaMoure Lions volunteering with your community. Your hearts are dedicated to service!

New Rockford

February is a month of good will towards others with Giving Hearts Day, Valentine's Day, and Random Acts of Kindness Day. Our Lions Club wanted to add even more to it, with our own Random Acts of Kindness Service Project. Each member of our Lions Club received two, twenty dollar New Rockford Chamber Bucks. They were given the task to hand out the chamber Bucks to anyone they thought needed an extra "Hug". It was very rewarding putting smiles on the faces of the recipients .

Horace Lions retrieve their Gavel

Horace Lions Co-Presidents Arlin and Sarah Fisher traveled to Mapleton to retrieve the club gavel which was “lifted” from the president’s podium during a recent visit by the Mapleton Lions. We do not hold the Mapleton Lions responsible for the blatant theft as they were heavily influenced by members of the Fargo Gateway Lions. Twelve Gateway Lions invaded the Horace meeting on the same evening and provided distractions, end runs, and other nefarious distractions as they “encouraged” the Mapleton Lions to acquire our gavel. Because of the reputation of the Fargo Gateway Lions, they were blamed for

the theft when President Arlin discovered it missing. The next day, Gateway Lion Darrell Costain whined about being blamed especially since they have ALWAYS treated the Horace Lions with such

respect. It included a picture of the gavel in the hands of the Mapleton Club. After a diligent investigation, the Gateway Lions are still being blamed for their bad influence. Co-president Sarah

also passed along the Lion statue which is being used to encourage donations to LCIF by the clubs. YES, Gateway is to blame for passing it along in the first place.

Lion Portal Talking points

What’s happening with the Lions digital tools?

- We’re talking about the functionality of our current digital tools and creating one streamlined experience.
- The new portal is built on Salesforce, an industry-leading platform used by over 150,000 organizations - including 40,000 nonprofits.
- MyLion, MyLCI and Insights, along with some additional tools and functionality will be accessible through an updated portal for members.
- The portal will have all the same features and functionality currently available with separate tools, but with a more consistent and efficient experience - weather you’re on your computer, your tablet or mobile device.
- We’re aiming to launch in mid-2023. And a preview of the portal will be available before that. Stay tuned for more information.
- Have a question? Send it to salesforce-feedback@lionsclub.org

5NW DISTRICT GOVERNOR'S REPORT

Someone needs to remind Mother Nature the first day of spring is March 20, 2023!

Since I mentioned spring, let's talk about the awesome Spring Rally that is coming up! District Governor Elect Lynn G. has done a fabulous job working with the Beulah Lions to make this the best rally! It seems that the DG and DGE in the past years have always enhanced the previous rallies! Friday March 31st is going to be a great afternoon starting with tours of the Coteau Properties Co. at 2:00 pm, and the Antelope Valley Station at 3:30. We then will take a short trip to Zap, the home of Zip to Zap! In the evening there will be an icebreaker at the bowling alley Molco Lanes/Dewey's Lounge. If you haven't registered yet please do so now, you will not want to miss this awesome weekend!

The rally will start bright and early on April 1st starting at 8:00 am with registration & breakfast. We have International Director Lee Vrieze who is our key note speaker, some great training for presidents & secretaries, and we will complete the Building a Plan for our district, using the Global Membership Approach! This is something that is so important for our district to have a plan for our future.

Now here is the best news of all that we have to re-energize our district, we now have a club in TIOGA! We have worked so hard on this and it is all coming together, except for the winter weather that has not cooperated very well. We have 21 member who are so excited to be seen, be heard, and to serve the community of Tioga. Charter date celebration will be scheduled at a later date (we have to work around calving season). I will keep you all

updated!

I want to talk about Gateway to Science. If you all remember PDG Scott R & 2nd VDGE Karen daSilva did an amazing job bringing this project to the clubs of 5NW. We agreed as a district to sponsor an eye exhibit (stationary, located at the campus of Gateway to Science) and a smaller exhibit for the center's mobile unit. We still have a considerable amount of money to raise, so I am asking clubs of 5NW to look at your budget and help out financially, if you can! There was a ribbon cutting ceremony on Friday, March 3rd and let me tell you this place is AMAZING! Our exhibit is fantastic, educational and was a hit with the attendees.

Lion Kevin and I volunteered to serve breakfast at the Dream Center here in Bismarck and what an experience this was. Lion

Jerry Schaack from the Bismarck Lions was there with us to show us all the things that need to get done in a short amount of time before individuals come in for breakfast. That morning we served 84 breakfasts and handed out 100 sack lunches. If your club is looking for a wonderful service project, the Dream Center is always looking for help!

We have so many opportunities to do great service in our communities. Talk to your city leaders, preach-

ers, teachers, or community members to see how the Lions can step up to help the community.

Zone Chair Gordon Krance was presented with a Presidential Certificate for his leadership in District 5NW. This award was to be given at the state convention in Devils Lake. Gordon's daughter was married that weekend so this was a nice surprise for him!

I had the pleasure of presenting chevrons to Dacotah Mandan 1st VDGE Lynn H. (15 year Chevron) and PCC Jan Froemming (30 year Chevron). Not pictured: New England Lion PDG Lewellyn Rustan was presented a 25 year Chevron.

I have 4 short months left of this amazing journey and I hope I can end my District Governor year on a positive note. Thank you for all who have inspired me to do the best I can do for the district.

As always my DG Team is here for your club/members, please do not hesitate to contact us! Remember to be heard, be seen, and make a difference.

Think Big, Trust Yourself, and Make it Happen!

5NE DISTRICT GOVERNOR'S REPORT

We made it through February and are well on our way through March. All of our clubs are meeting and working on great projects. We had Lions clubs working at the Feed My Starving Children event in Fargo and they put together meals to feed 2 million children.

We had a cabinet meeting by Zoom.

On the 6th, I met with the Wahpeton Lions Club. A small but very fun club.

February 18th, we celebrated the Kulm Lions Club's 80th birthday. I got to see and catch up with my good friend Past International Director Bill Gackle. Bill was North Dakota's very first In-

ternational Director and at 95 he still has more energy than I do. His health is failing so please keep he and his family in your prayers.

By now your clubs should

have elected new officers for next year. Please enter those names with email and home addresses along with phone numbers for each office on MyLCI.

Please mark your calendars for the April 15th Spring Rally in Jamestown. We ask that all new officers attend this meeting.

Again, thank you for all you do as Lions and don't forget to ask a friend to join you at your next meeting or project. Give them the chance to feel the same joy you do as a Lions member.

2023 International Youth Summer Camp

Are you age 15-18? Are you interested in meeting students from other North American countries?

The 2023 MD5 Lions Youth Camp will take place July 16 - 22, 2023 at Badlands Camp just outside Medora, North Dakota. The camp sits in the trees adjacent the river. The river is great fun for night swims and mud fights. Also, the camp has a great fire pit great for smores. We have activities planned for each

day that will include zip lining, mini golf, (golf could be arranged at Bully Pulpit) low ropes and high ropes to test your skills, a water park and Wavy River to cool off, lots of hiking at the camp and in Theodore Roosevelt National Park and horseback riding in the Badlands. We will also participate in the Medora Musical and hit as many burger feeds as the Lions Clubs in the area will allow us to attend.

Cost of the Camp is \$400,

which includes all food, lodging and activities. Campers will need to bring clothes, toiletries, a swimsuit and either a sleeping bag or sheets and a blanket. As it will be summer, sometimes the sheets and blanket are cooler.

The Youth Exchange Camp program does not involve academic study or employment. Instead, participants are encouraged to use this opportunity to share your own culture while learning about

others. Campers make the best ambassadors for Lions International, while learning about new backgrounds and customs.

Local Clubs will be seeking youth to send to camp. I just want to tell you by camping with us you will have a time you won't forget. See you there.

As for the local Lions clubs, we need you to seek a camper and get their application sent in.

MD5 District Governor Elects in the Windy City

Chicago is known as “The Windy City” but it got even windier the week of February 6th through the 10th when five of the six MD5 District Governor Elects flew into town. The city was actually St. Charles, Illinois at the Q Event Center which is a huge place. We were just starting to get our directions straight when it was time to go home. I think everyone got lost inside a few times.

WOW, the week was packed with information and lots of BS after class. Now, if us older ones can just retain it all.

There were about 650-700 of the DGE’s there from all over the world. We were in groups of about 25 according to the language we spoke. My group was Americans from all over including Canada, Australia, and Guam. What a great bunch. When we dined, we could sit with whom we wanted, so I got to dine at dif-

ferent times with DGE’s from all over America, Egypt, France, Great Britain, Australia, Sweden, Germany, India, Bangladesh and Belgium to name a few. It was interesting Lion talk./*-x x

They even squeezed in a tour of Lions International Headquarters. The building was smaller than I expected for all the work that is done there, but as I always say “Lions do a lot with a little”.

I want to thank Lions Clubs International for the training and 5NE Lions for their faith in me and giving me the opportunity to lead.
